DAY 01: AUG 03, SUN - PORTO CITY TOUR

AFTERNOON

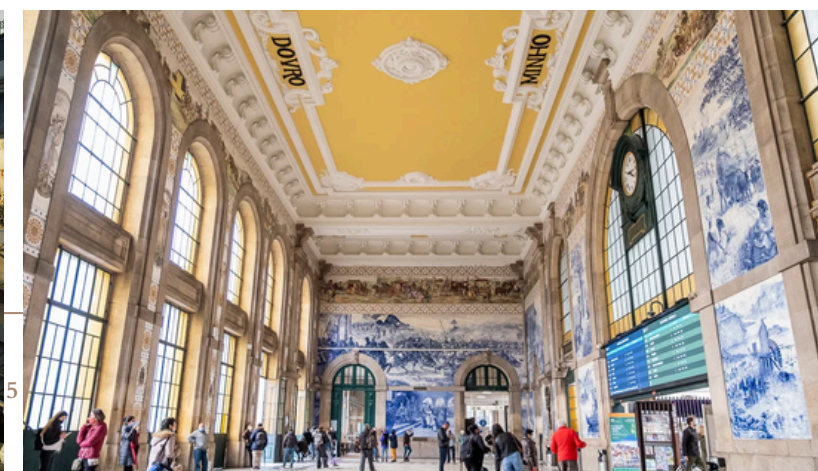

2pm - Let's explore Porto's historical district, a city shaped by its prosperous port wine trade that flourished in the 18th century, especially with the arrival of English merchants who established renowned companies like Sandeman and Offley, bypassing intermediaries. Unlike Lisbon, which suffered significant damage from the 1755 earthquake, Porto remained intact, allowing its rich heritage to be beautifully preserved. For lunch, we head to the riverside to enjoy lunch with the most famous view of Porto.

EVENING

Free.

Dinner Suggestion: **VINUM Restaurant & Wine Bar**

VINUM's dining experience brings the best of the north of Portugal and Basque country to the table. The restaurant is nestled at Graham's Port's fully functioning 19th-century cellars where generations of famous Port wines have been aged in over 3,200 oak barrels. The main dining room looks directly onto the barrel cellar, with ancient pine beams supported by cast-iron pillars, which date back to 1890. It is an historic and atmospheric setting, which combines the best food the city of Porto has to offer with an immersive wine experience.

DAY 02: AUG 04, MON - BRAGA, GUIMARÃES

MORNING

Trip Porto – Braga – 40 mi, 50 min

We embark on a journey to Braga, one of Portugal's oldest cities, often called the "Portuguese Rome," with roots stretching back over 2,000 years. Founded by the Romans, Braga once rivaled Santiago de Compostela in both power and significance.

Our tour takes us through the historic center, with a stop at the iconic Café Vianna, which has been a cultural hub since its opening in 1871. Known as one of the country's oldest cafés, it has welcomed a range of notable figures, including journalists, politicians, and writers like Eça de Queirós and Camilo Castelo Branco, who often referenced it in their works.

LUNCH

We'll enjoy lunch at a traditional restaurant. This is also the perfect chance to savor one of the city's beloved desserts, Pudim de Abade de Priscos, a local delicacy.

Trip Braga – Guimarães - 15 mi, 30 min

Our journey continues to Guimarães, known as the birthplace of Portugal, where the nation's first king, Afonso Henriques, was born. Here, we will visit two of the city's most iconic landmarks: the historic Guimarães Castle and the majestic Ducal Palace.

DAY 02: AUG 04, MON - BRAGA, GUIMARÃES

AFTERNOON

We will stroll around its well-preserved historic center, a UNESCO World Heritage site, where we'll find narrow cobblestone streets, traditional squares, and a captivating blend of medieval and modern architecture. Guimarães offers a unique journey through Portugal's past in a setting that feels timeless.

Trip Guimarães – Porto – 40 mi, 50 min

We return to Porto in the late afternoon.

DAY 04: AUG 06, WED - PORTO - NAZARÉ - ÓBIDOS - LISBON

MORNING

09:30 - Check out from the hotel in Porto.

Driving from Porto to Nazaré is a scenic adventure that takes you through the diverse landscapes of Portugal. As you leave Porto's historic charm behind, the route unfolds with views of lush countryside, charming villages, and rolling hills.

Upon reaching Nazaré, a coastal gem known for its record-breaking waves and vibrant fishing traditions, you'll be greeted by dramatic cliffs and stunning ocean vistas. It's a journey that seamlessly combines cultural discovery with the allure of Portugal's natural beauty.

Nazaré beach, with a mild climate and natural beauty, has one of the oldest traditions in Portugal linked to the arts of fishing.

The long crescent-shaped beach, which is also the city's seafront, is known for its grandeur and the brightly colored awnings that decorate the white sand beach in contrast to the blue of the water.

This is the beach in Portugal where fishing traditions are most colorful and it is not uncommon to come across fishmongers who still wear the seven skirts, as tradition dictates.

LUNCH

Lunch at a traditional restaurant where we will indulge ourselves into the freshest seafood straight from the Atlantic Ocean.

DAY 04: AUG 06, WED - PORTO - NAZARÉ - ÓBIDOS - LISBON

AFTERNOON

We continue to Óbidos, the crown jewel of Portuguese tourism. It looks like a city created for a medieval film, completely walled with a castle built by the Arabs in the 13th century, one of the Seven Wonders of Portugal.

We will stroll through the well-preserved village, exploring the walls and alleys of whitewashed houses and shutters painted blue and yellow. We cannot miss trying the traditional Ginjinha, a liqueur made by hand in the region.
